Lesson Fees

1 hour private-\$50
½ hour private-\$35
1 hour semi-private lesson-\$40 per person
1 hour group-\$30

A group series is available at a discount when paid the first week of the month. A \$10 late fee will be added when paid after the first week.

5 week group series-\$140

4 week group series-\$115

A group series must have 3 riders paying for the group series. Any riders paying per time or a charge will be charged according to how many riders are in the lesson on that day.

I understand that series payments are due the first week of the month. If I pay after the first week, I will add a \$10 late fee.

I will notify Meadowview Farm before the next series if I choose not to continue for any reason. This is out of respect to our planning and other students.
